

## ALPHABETICAL INDEX

- A
- A-1H or A-1J tanker conversion kit . . . . . 198E  
Accelerometer . . . . . 305  
Access and inspection provisions . . . . . 8  
A-c power supply system, constant-frequency . . . 334  
    constant frequency a-c power supply dummy  
    load . . . . . 342A  
    constant frequency load corrector . . . . . 342  
    flight-instrument power-failure warning light . . 342  
    dimming resistor . . . . . 342  
    flight-instrument power-selector switch . . . . . 342  
    instrument power transformer . . . . . 341  
    inverter load and torquemeter power relay . . . 342A  
    No. 1 inverter . . . . . 338  
    No. 1 inverter dummy-load . . . . . 342  
    No. 2 inverter . . . . . 338  
    No. 2 inverter control relay . . . . . 341  
    No. 2 inverter current-limiter . . . . . 341  
    No. 2 inverter dummy-load . . . . . 342  
    voltage-sensing relay . . . . . 342  
A-c power supply system, variable-frequency . . . 327  
    a-c power switching relay . . . . . 334  
    a-c voltage test jacks . . . . . 334  
    circuit protector switches . . . . . 333  
    exciter control unit . . . . . 333  
    external power receptacle . . . . . 334  
    generator . . . . . 332  
    generator field relay . . . . . 333  
    generator field switch . . . . . 333  
    instrument power transformer . . . . . 341  
    power select switch . . . . . 333  
    voltage regulator . . . . . 333  
Aero ATP-D1 400 gallon auxiliary fuel tank . . . . 198Q  
Aero 18A armament control system (LABS), AD-6. 418C  
Aero 18C A-1J, armament control system  
    (LABS), AD-7 . . . . . 418F  
Aero 1A 30-inch adapter . . . . . 380A  
Aero 1A sub-caliber rocket adapter . . . . . 384A  
Aero 6A rocket launcher package . . . . . 384A  
Ailerons . . . . . 92  
    control system . . . . . 92  
    power boost system . . . . . 100  
    actuating cylinder . . . . . 100  
    hydraulic pump . . . . . 100  
    latch mechanism . . . . . 100  
    line filter . . . . . 101  
    relief valve . . . . . 101  
    tab, fixed . . . . . 104  
Aileron trim tab . . . . . 101  
    control system . . . . . 101  
    cockpit mechanism . . . . . 104  
    leadscrew mechanism . . . . . 104  
Aircraft cleaning . . . . . 18C, 28, 28A, 28B, 28C  
Aircraft dimensions . . . . . 2B  
Aircraft servicing . . . . . 17, 18, 18A, 18B  
Airframe . . . . . 42  
Airspeed indicator . . . . . see Pitot-static system  
Air temperature indicating system . . . . . 304  
    carburetor air temperature bulb . . . . . 305  
    free air temperature bulb . . . . . 305  
    indicator . . . . . 305  
    selector switch . . . . . 305  
AN/APA-89 group . . . . . 370K  
AN/APN-22 radar altimeter system . . . . . 370D-2  
AN/APS-19C search radar system . . . . . 370F  
    control console . . . . . 370J  
    indicator . . . . . 370J  
    nacelle assembly . . . . . 370J  
    nacelle connector assembly . . . . . 370K  
AN/APX-6 identification radar (IFF) system . . . . 370D-2  
    control console . . . . . 370F  
    receiver-transmitter . . . . . 370F  
AN/ARA-25 automatic direction finding system . . . 354E  
AN/ARC-1 VHF communication radio system . . . . 349  
    antenna . . . . . 351  
    control console (master) . . . . . 351  
    microphone switch . . . . . 354E  
AN/ARC-27A UHF communication radio system . . . 354A  
    antenna . . . . . 355  
AN/ARN-6 radio compass system . . . . . 358  
AN/ARN-12 noise filter . . . . . 370D-1  
AN/ARN-12 marker beacon receiving system . . . . 370D  
AN/ARN-14E navigation system . . . . . 365  
    ID-249/ARN course indicator . . . . . 370A  
AN/ARN-21 navigational radio homing system . . . 369  
    ID-250 course indicator damping resistors . . . 370A  
    ID-250 indicator relay . . . . . 370A  
AT-134A/ARN antenna . . . . . 370D-1  
AT-141A/ARC antenna . . . . . 355  
AT-145B/A antenna . . . . . 352  
Anticollision light . . . . . 344B  
Anticorrosion for piano hinge installation . . . . . 30A  
Antiexposure suit ventilation system . . . . . 186A  
Antiexposure suit venting provisions . . . . . 61  
Anti-G system . . . . . 192  
    air filter . . . . . 192  
    control valve . . . . . 193  
    oil separators . . . . . 193  
    pump . . . . . 193  
    suit disconnect receptacle . . . . . 193  
Anti-icing and deicing-defrosting . . . . . 29  
Anti-icing fluid . . . . . 29  
Approach light and arresting hook warning light  
    system . . . . . 345  
    approach light . . . . . 345  
    approach light relay . . . . . 346A  
    arresting hook bypass relay . . . . . 346A  
    arresting hook bypass switch . . . . . 346F  
    arresting hook position switch . . . . . 346F  
    arresting hook warning light switch . . . . . 346F  
    dimming resistor . . . . . 346F  
Armament . . 372, see also Armament control systems;  
    Boresighting; External stores; Gun camera  
    provisions; Gunnery equipment; Gun sight  
Armament control systems . 417, see also Bomb director  
    system, Mark 3 Mod 5; Aero  
    18A and 18C armament control  
    system (LABS)  
Armor plate . . . . . 417  
Arresting gear . . . . . 150  
    arresting hook . . . . . 150  
    control system . . . . . 150  
    control valve . . . . . 154C  
    hold-down cylinder air valve . . . . . 156  
    lever and push-pull linkage . . . . . 152  
    pressure gage and snubber . . . . . 156  
    release cable and up-latch assembly . . . . . 154C  
    retracting and hold-down cylinder . . . . . 154C  
    filling and inflating . . . . . 18A, 18B  
    system restrictor . . . . . 154C  
Arresting hook control system . . . . . 186A  
AS313/ARN-6 or AS313B/ARN-6 loop antenna . . . . 358A  
Audio control, marker beacon . . . . . 370D-1  
Automatic pilot system . . see P-1 automatic pilot system  
Auxiliary fuel pump . . . . . 263

ALPHABETICAL INDEX (Continued)

B

Battery . . . . . see D-c power supply system  
Belt, seat lap . . . . . 61  
Bomb director system, Mark 3, Mod 5 . . . . . 418C  
Bomb racks . . . . . see External stores equipment  
Boresighting equipment . . . . . 409  
    armament datum line . . . . . 410  
    boresight screens . . . . . 410  
    front (ring) sights . . . . . 409  
    rear (peep) sights . . . . . 409  
Boresight procedure . . . . . 410  
Brake lockout valve, bottom dive . . . . . 69  
Brakes . . . . . see Main landing gear  
Bulb, oil temperature . . . . . 307

C

C-2459/ARC-27A UHF control panel . . . . . 354C  
C-739/ARC control panel (master) . . . . . 352  
C-865/ARC-1 VHF control panel . . . . . 349  
Canteen container . . . . . 61  
Carburetor . . . . . 208; see Engine controls  
    air induction system . . . . . 208  
    air scoop . . . . . 213  
Catapulting equipment . . . . . 14  
    catapult holdback fitting . . . . . 14  
    catapult hooks . . . . . 14  
Chartboard . . . . . 60B  
    light circuit . . . . . 60B  
    light switch . . . . . 346F-1  
Cleaning aircraft . . . . . 18C, 28, 28A, 28B, 28C  
Cleaning corroded surfaces . . . . . 30  
Clock, elapsed time . . . . . 306  
Cockpit . . . . . 45  
    enclosure . . . . . 49  
    control system . . . . . 52  
        actuating cylinder and hydraulic control  
        valve . . . . . 53  
        auxiliary system air bottle . . . . . 56  
        auxiliary system air control valve . . . . . 56  
        auxiliary system air pressure gage and  
        filler valve . . . . . 58  
        auxiliary system air-to-oil transfer  
        cylinder . . . . . 53  
    jettison system . . . . . 58  
    jettison assemblies . . . . . 58  
    floodlights . . . . . 346F-1  
        high intensity . . . . . 346F-1  
    glare shield . . . . . 48  
    liquid and vapor sealing . . . . . 45  
    sliding auxiliary air bottle . . . . . 56  
    sliding auxiliary air control valve . . . . . 56  
    sliding auxiliary air pressure gage and  
    filler valve . . . . . 58  
    sliding jettisoning assemblies . . . . . 58  
    sliding jettisoning control . . . . . 58  
    weather sealing . . . . . 42  
Communication radio microphone switch . . . . . 354E  
Compass, standby . . . . . 306; see also G-2 compass  
    system, MA-1 compass  
    system . . . . . 346F-1  
    light . . . . . 346F-1  
Connector, thermocouple lead . . . . . 307  
Control cables . . . . . 82  
Controls . . . . . see Control surfaces  
Control stick . . . . . 82  
Control surfaces . . . . . see Ailerons; Aileron trim tab;  
    Dive brakes; Elevators; Hori-  
    zontal stabilizers, Rudder;  
    Rudder trim tab; Wing flaps  
Conversion kit, A-1H or A-1J tanker . . . . . 198E

Corrosion of dissimilar metals . . . . . 30  
Cowling, engine . . . . . 230D  
    accessory-section . . . . . 244  
    cowl bow . . . . . 238  
    cowl flaps . . . . . 239  
    cowl flap control circuit . . . . . 243  
    cowl flaps, nose . . . . . 239  
        actuator and jackscrews . . . . . 239  
        position indicator . . . . . 241  
    cowl flaps, side . . . . . 241  
        actuator and jackscrews . . . . . 241  
    nose section . . . . . 235  
    side panels . . . . . 235  
Cylinder head temperature  
    indicator . . . . . see Engine cylinder head  
    temperature indicating system

D

Dc power supply system . . . . . 311  
    battery . . . . . 313  
        filling . . . . . 17  
    battery, relay . . . . . 318  
    bus control relay . . . . . 320  
    circuit-breaker panels . . . . . 321  
    control switch . . . . . 313  
    external power . . . . . 320  
        pilot rectifier . . . . . 321  
        pilot relay . . . . . 321  
        power receptacle . . . . . 320  
    inner stations . . . . . 372  
    fuselage ejector rack . . . . . 372  
        hoisting provisions . . . . . 375  
        mine and parachute lanyard attaching  
        fitting . . . . . 378B  
    pylon . . . . . 372  
    torpedo nose-cap release fitting . . . . . 378B  
    wing external stores racks . . . . . 379  
        Aero 1A 30-inch adapter . . . . . 380A  
        Mark 51, Mod 14 stores rack . . . . . 380A  
        mine parachute lanyard attaching fitting . . . . . 380A  
        torpedo nose-cap release fittings . . . . . 380A  
    outer stations . . . . . 381  
        Aero 1A subcaliber rocket adapter . . . . . 384A  
        power relay . . . . . 321  
        starting switch . . . . . 320  
    generator . . . . . 318  
    generator control (reverse current) relay . . . . . 319  
    generator warning light . . . . . 321  
        dimming resistor . . . . . 321  
    generator voltage regulator . . . . . 319  
    monitor bus relay . . . . . 320  
    power control switch . . . . . 313  
    power distribution . . . . . 324A  
    secondary bus relay . . . . . 320  
    secondary bus transfer switch . . . . . 320  
    test jacks . . . . . 321  
    voltage regulator . . . . . 319  
Dissimilar metals, corrosion of . . . . . 30  
Distribution and ignition harness . . . . . 230A  
Dive brakes . . . . . 61  
    bottom . . . . . 64  
    control system . . . . . 64  
        safety circuit . . . . . 65  
        interlock switch . . . . . 343  
    side . . . . . 62

E

Ejector-rack pylon, fuselage . . . . . 372  
Elapsed time clock . . . . . 306  
Eight-day clock . . . . . 306

## ALPHABETICAL INDEX (Continued)

- Electrical equipment . . . . . 310  
 Electrical external power receptacle . . . . . 18C  
 Electrical systems . . . 310; see A-c power supply system,  
     constant-frequency; A-c power sup-  
     ply system, variable-frequency;  
     D-c power supply system; Wiring  
     data index  
 Elevators . . . . . 106  
     control system . . . . . 106  
     tips . . . . . 106  
 Emergency lighting relay . . . . . 346K  
 Emergency lighting transformer . . . . . 346K  
 Empennage . . . . . 79  
 Engine . . . . . 200; see also Cowling, Engine  
     controls  
     build-up . . . . . 280  
     exhaust stack forward extension pipes . . . . . 230D  
     exhaust stacks . . . . . 230D  
     exhaust system . . . . . 230D  
     mount . . . . . 230B  
     vent and drain system . . . . . 230D  
 Engine analyzer equipment provisions . . . . . 230A  
     synchronizing generator . . . . . 230B  
 Engine controls . . . . . 205  
     carburetion and air induction system . . . . . 208  
     air scoop . . . . . 213  
     carburetor . . . . . 208  
     control circuit . . . . . 214  
     air door actuator . . . . . 214  
     ignition system . . . . . 228B, 230
